

SINCE TUESDAY

'Since Tuesday' are known for their captivating harmonies and chill vibes and perform a juicy array of covers and originals with something for everyone.

Forming mid 2014 in Portland, original members Trish Thompson (lead vocals/ukulele), Maddi Cram (Guitar) and Sophie von Tunk (keys/ vocals) usually appear with Isaac Bruggemann (bass/vocals) and Alex Keser (drums). When Alex or Isaac have other commitments, previous 'Since Tuesday' bass player, Cass Chellis, and friend of the band, David Parkes on drums, often step in.

They are available as a 3, 4 or 5-piece band.

They perform at festivals, pub gigs and private functions across the region. In April 2017 they released a 6 track self-titled debut EP. A highlight for them was having a track from the EP, 'Potential Lovebug', feature on the Glenelg Shire TV ad #iamcasterton.

They hope to record some more original songs soon!
